WD Ultrastar HC550 16TB SATA	New (Hong Kong retail, 5-yr warranty)	HK\$2,199–2,299 (≈ US\$282–295)

CPUs: The Upgrade Market

Processor	Refurbished	New / OEM Kit
Intel Xeon Gold 6338 (32C, Ice Lake) SRKJ9 · fits R750, DL380 Gen10 Plus	\$1,448–\$2,780 median ≈ \$2,050 · ETB, Bytestock, Aventis, eBay refurbishers	\$2,797–\$3,701 HPE kit P36928-B21, Scan UK OEM

How to Use This Index

Methodology: asking prices, not transaction prices; volume deals typically close 5-15% below asking. Median-based reporting; minimum three sources per model where public supply allows. Full dataset, per-listing source links and quarterly updates: hkchl.com/blog/used-server-price-index-2026/
